## Key and how to interpret the data

The allergy data detailed in the table is based on technical specifications from our suppliers. Please note that due to the operation of the machine, cross contamination of allergens present cannot be prevented.

If adding a sachet or additional syrup, please add that allergen data to that of your drink.

**N** means that the component is not present in the product as delivered by our supplier.

**Yes** in the allergen columns means that the allergen is present in the drink or chosen addition therefore this selection is not suitable for customers who have an allergy or intolerance to that allergen.

**Y/N** in the first two columns, details whether the product is suitable for vegetarians or vegans

The Additives column details whether any of the following additives are present: **P** = preservatives, **S** = artificial sweeteners, **F** = flavourings, **C** = artificial colours, **FE** = flavour enhancers, **A** = antioxidants. **N** = no additives
