# Introducing **Alto**

## **Exceptional coffee, self-serve**

- Provide your customers with exceptional self-serve Costa Coffee beverages
- A range of hot and cold drinks crafted with real milk, chewable ice and sustainably sourced coffee beans
- Options for even better milk texture with our cutting-edge milk-foaming system

## **Extensive variety, on tap**

- Delight everyone passing through with an extensive range of up to 500 customisable, hot and cold coffee shop favourites
- Exceptional ordering experience with built in intuitive HD touchscreen
- Speed and convenience through multiple payment options including contactless
- Suit local tastes with 2 different coffee blends and up to 8 different syrups

## **Effortless service, once a day**

- Boost incremental sales and drive profit from the very first cup - all with no upfront investment
- Reduce downtime and maximise sales with actionable intel at your fingerprints 24 hours a day through unique telemetry system
- Minimise business disruption with quick and easy installation
- Cut down labour costs through effortless servicing
